Principal's Message

Welcome back to school! We have missed our students and staff a lot and are very happy to have everyone back in the building again! We have missed some important events, such as picture day, and are working to reschedule. We will keep you posted when we have new dates!

The cold weather is here once again and we'd like remind everybody to dress warm! Layers are always best and boots, hat and gloves help protect against the cold wind that often blows through our playground! Teenagers, wearing sensible winter clothing and footwear is cool too!

We have a busy month ahead of us with report cards, parent teacher interviews, our Remembrance Day Ceremony and much more. We invite parents and community members to check out our calendar and join us for school events whenever possible! We hope to see you soon!

Quality Partnerships

PARENT AND COMMUNITY RELATIONSHIPS AND ENGAGEMENT

Outcomes:

- Student learning is supported and enhanced by providing meaningful opportunities for parents and community to be involved in children's education.
- Parents and communities are kept informed of Division plans, programs, and progress through ongoing and effective communication.

ENGAGED AND EFFECTIVE GOVERNANCE

Outcome:

- The Division is committed to engagement and advocacy to enhance public education.

Welcome Back Carnival

Our 2nd annual Back to School Carnival was a huge success! We were very excited to see so many families in attendance, and we had a great time grilling up food, offering games and face painting and activities for our students and families to enjoy. We hope that everyone enjoyed themselves. We can't wait to do it again next year!

School Council/AGM

Our first School Council (AGM) was held in the library on September 25th. School Council positions for this year are as follows:

President: Leann Sprowl

Vice President: Delaine Labby

Secretary: Stacy Churchill

School Council Meetings are held on the last Tuesday of every month!

Community Engagement Sessions

Community Engagement Sessions

HPSD will be hosting community engagement sessions from October to January to gather input from families and students on how schools can best prepare our students for life after high school, strengthen work habits, support post-secondary transitions, and build strong school-community connections. We will also be discussing employee attraction and retention ideas.

There will be eight in-person focus groups, a one-question survey for all stakeholders, and one virtual town hall meeting.
