# Kinuso School Newsletter

## Principal's Message

Christmas is in the air and things are in full swing at Kinuso School! We have a full calendar this month with a lot of fun events planned. Let's take a look at the main events:

- We will hold our Awards Assembly for September and November on December 3<sup>rd</sup> in the school gym. K-6 starts at 12:45, 7-12 follows at 1:15! Our Attendance Awards, with a draw for some big prizes, will take place on December 19<sup>th</sup>!
- Our Scholastic Book Fair will run from December 8<sup>th</sup>-12<sup>th</sup> in the library! It's the perfect time to pick up some books for Christmas presents!
- Kinuso School will hold its annual Winter Carnival on Thursday, December 11<sup>th</sup> from 5-7 pm. Bring the kids to the school for popcorn and hot chocolate, crafts and games, and pictures with Santa!
- Theatre Prospero will be here working on a production of James and the Giant Peach with students. Between 4-6 theatre staff will be in our school from December 8<sup>th</sup>-18<sup>th</sup> to train the students to perform, sing and dance. Almost every elementary child will be in the play as a group or as an individual part. There is a large amount of Jr/ Sr students as well with lead roles, minor roles and others who will be designing the set, costumes etc. The Sr high will be able to receive credits for their work on and off stage! This has been generously sponsored by the Kinuso Municipal Library! The performance will take place on Thursday, December 18<sup>th</sup> at 7 pm.

These events and so many more are happening this month. Please take a look at the December Calendar for all of the events!

There will be no House Rally this month, but the scores after November's House Rally are: Vikings - 158 points, Wizards - 155 points, Knights - 131 points, and Dragons - 99 points.

The Leadership Cotton Candy sale made a small profit of \$0.11 after purchasing supplies. We look forward to making a bigger profit next sale now that we have the supplies!

## Dual Credit Programming

As a senior high school student in the High Prairie School Division you are encouraged to explore a wide range of occupations and career pathways. In addition to the work you will complete with the Career Coaches throughout grades 9 - 12, there are a variety of courses that can help guide your exploration, including Work Experience, Career and Technology Studies (CTS), Fine Arts, Registered Apprenticeship Program (RAP) and Dual Credit courses.

### Dual Credit

Your participation in dual credit courses will allow you to:

- Explore a subject that piques your interest, and you would like to know more about.
- Study an area of passion and interest.
- Get a jump start on post-secondary learning.
- Earn high school and post-secondary credits.
- Build confidence and develop skills that will support a successful post-secondary transition.
- Experience a post-secondary learning environment and learn about ongoing opportunities.
- Earn a workplace-recognized certification.

As a Dual Credit student, you would be enrolled in both a post-secondary institution and in your high school concurrently. You would earn credits towards both a high school diploma and post-secondary degree, diploma, certificate or Journeyman's Certificate.

### Who can participate?

Dual credit courses are open to high school students who meet both the academic and non-academic requirements of the course they are applying for. The academic requirements vary by post-secondary institution and by course. All dual credit students must meet the following non-academic requirements:

- Have a record of good attendance.
- Prove their ability to meet deadlines.
- Demonstrate commitment to the course or program.
- Present with a schedule that will allow adequate time to study and complete the required course work.
- Be open to the Dual Credit Coach and/or Career Coach discussing your application with teachers, principals and other school supports to ensure a good fit.
- Participate in an interview with parents/guardians and the HPSD Dual Credit Coach.

### How do I apply?

To find out more information about dual credit courses and programs, and how to apply, schedule an appointment with a Career Coach or email [achieve@hpsd.ca](mailto:achieve@hpsd.ca).
