Principal's Message

Welcome Back, Kinuso Families!

We are so excited to welcome all of our students and families back for another amazing school year at Kinuso School! The energy in the building has been wonderful, and we can already tell it's going to be a fantastic year of learning, growth, and community.

This year, we are thrilled to introduce four new teachers who have joined our team:

- Ms. Paige Costley – Grade 6
- Mr. Oliver Sacuta – Junior High
- Ms. Preslee Chalifoux – Junior High
- Ms. Terry Lynn Cook – Junior & Senior High

We are excited about the experience, enthusiasm, and new ideas they bring to our school. Please help us give them a warm Kinuso welcome!

We'd also like to thank families for their patience as we adjust to our new Hot Lunch ordering system. We know it takes a little time to learn something new, and we truly appreciate your support as we work to make the process smoother for everyone.

Mark your calendars! Our first School Council Meeting of the year will be held on Wednesday, September 25th at 6:00 pm in the school library. School Council is a wonderful opportunity for parents and guardians to be part of the conversation and share your voice in shaping what happens at Kinuso School. We'd love to see you there!

And of course, we are looking forward to our Back to School Carnival on Thursday, September 11th from 5:00–7:00 pm at the school. Last year's turnout was incredible, and this year we're hoping for an even bigger crowd. Come join us for food, games, and fun—it's a great way to celebrate the start of the year together as a community.

Here's to a great year ahead—we are so glad to be back with our Kinuso families!

Quality Learning

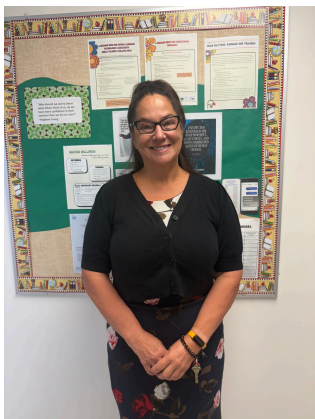

MEET OUR NEW TEACHERS!

Hello! My name is Oliver Sacuta, and I'm the new junior science and math teacher. I was born and raised in Devon Alberta, and I have wanted to go into education since I was in junior highschool myself. I couldn't be more thrilled to be here in this wonderful community, and I'm looking forward to a great year.

Hello, my name is Preslee (Mrs. Chalifoux) I grew up in Kinuso. I am excited to return to teach here. I received my Bachelor's of Education from the University of Calgary. I enjoy fishing, hunting, sports, and reading. I'm eager to give back to my community and make a difference

Terry Lynn Cook is a long-time resident of Kinuso. She accumulated many years of experience as an educator, school leader, and professional learning expert. She was a Walking Together: Education for Reconciliation Professional Learning Project Consultant. As a project consultant, she helped to ensure principals, teachers, and school division leaders were prepared to meet the foundational knowledge of First Nations, Métis, and Inuit as outlined in the Teaching Quality Standard (TQS), Leadership Quality Standard (LQS) and Superintendent Leadership Quality Standard (SLQS).

Terry Lynn holds a Bachelor of Education and a Master of Education in Leadership and School Improvement from the University of Alberta. She is also a certified instructor with the Alberta Teachers' Association and a certified trainer for Circle of Courage and True Colors International.

Terry Lynn will be focused on supporting Senior High and Junior High students.
